ALL  
IN

To commit to something means “to pledge to do something that you believe in” or to “give because you trust.” All series long, we’ve been talking about God’s ultimate sacrifice for us, in sending His Son, Jesus, to pay the price for our sin. God generously gives us love and forgiveness, and it doesn’t stop there. He even gives us eternal life with Him, and the promise that He’ll never leave those who believe in Him.

So what are ways YOU can commit to being generous? To be generous means “to freely give something with a happy heart.” You can give of your time, resources, money, talents, etc. Think through this and come ready to make your commitment on the weekend of March 8<sup>th</sup>.

Visit [CFMIAMI.ORG/ALLIN](https://CFMIAMI.ORG/ALLIN) for more resources on commitment and how you can help your child be ALL IN, and understand commitment.
